

COMPOUND MITER GAUGE EXTENSION

Note: T-Track mounts the Flip Stop (#52170802). To purchase both the stop and the T-track, order #555807 if you have a Mark 505 or 510, and #555808 if you have a Mark 520. The magnetic strip mounts a 38" steel scale (#522269). Using tin snips, trim the scale a 1" to the left of "0" (away from the blade).
